What a BNCC charity partnership looks like

We regularly partner with charities for our annual signature BNCC events - and we welcome fresh ideas too. If you have an event concept that aligns with our mission, we would welcome a chat to explore how we can work together.

What working with the BNCC looks like.

We work best as a true partnership built on shared goals and community impact.

Common ways our partners participate in our events:

- Supply keynote speakers
- Support ticket sales
- Organise raffle prizes and manage raffle delivery
- Promote the event online through your networks
- Participate in event delivery and on-site engagement

Real stories, real impact

International Women's Day 2026 with the Aussie Athletes Fund.

Through this partnership, the 2026 IWD event brought together 179 attendees and raised approximately \$11,000 on the day.

In total, almost \$200,000 was raised through BNCC-supported fundraisers that stemmed from our IWD event.

A Strong Track Record of Community Impact

Our charity partnerships continue to strengthen the local community.
